

## About us

- World Vision Zambia is a member of the World Vision International Partnership.
- We implement programmes aimed at improving the quality of life for the most vulnerable children and families in the country.
- World Vision began working in Zambia in 1981. Today, we work in 55 districts across 9 provinces.
- World Vision Zambia works closely with communities, partners, and the Government of the Republic of Zambia to ensure vulnerable children live life in all of its fullness.
- With a workforce of over 500 professional staff, we are dedicated to ensuring children, families, and their communities reach their full potential by tackling the causes of poverty and injustice.

## Our strategic goal

To contribute to the well-being of

**1,500,000**

Vulnerable girls and boys in Zambia by 2025

Our strategy is a promise to vulnerable children - To relentlessly pursue our vision for every child, life in all it's fullness, our prayer for every heart, the will to make it so.

## Our priority areas

### Health and Nutrition

Vulnerable children are at the heart of our work in Zambia. Last year we provided nearly 3 million children with vitamin A and other preventative care

### Education

We improve literacy among in-school and out of school children through comprehensive reading activities

### WASH

We are dedicated to providing clean and safe water among vulnerable communities in Zambia

### Resilience & Livelihood

We contribute to improved and resilient livelihoods for households in 23 districts in Zambia

### Child Protection

We work to enhance strong character in children by strengthening child protection systems both at community and policy level.

### Humanitarian Affairs

We help people affected by conflict and disasters. When disaster strikes, we are on the ground, quickly providing immediate support

## Our achievements in 2019

174,150 people accessed improved sanitation

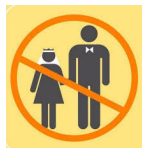

Supported 119,412 children with education

932 reading camps created

409 boreholes with hand pumps drilled

64 girls retrieved from child marriages

7 classroom blocks built and 11 rehabilitated

4,413 savings for transformation groups created with financial savings of US\$ 2,101,648

2,211 malnourished children rehabilitated

528 metric tonnes of maize grain and mealie meal distributed to 81,678 people in areas affected with food shortages

Through World Vision's work, every 60 seconds ... a family gets water ... a hungry child is fed ... a family receives the tools to overcome poverty.

Hope, Joy, and Justice for ALL children!
